## LEVER COMEDIANS COMING NEXT WEEK

Baird and Wilson, comedians, supported by a dramatic troupe of twenty-five people, and carrying their own band and orchestra, will open here under canvas for the week of July 11. The opening bill on Monday night will be the "Call of the Woods," which tells the same story as the popular screen entertainment, the "Call of the North." It is a four act comedy drama full of heavy tension, dramatic situations, closely followed by extreme comedy in the hands of "Toad." "Toad" is the character role which Fred Wilson will take. This company has played in all the big cities in Oklahoma, Kansas and Missouri, closing an engagement at the Overholser in Oklahoma City, two weeks ago. They bring endorsements from numerous opera house managers and newspapers, the Topik Capital stating that Wilson was to

the dramatic world what Charlie Chaplin was to the movies. All agree that he is the strongest comedian in this part of the country.

Professor Joe Baird's 15-piece military band will give free concerts daily at noon and in the evening. His 8-piece orchestra will render the "Hunting Song" for their opening overture.

Manifesting a patriotic spirit and helping draw crowds to Chickasha for the Fourth, Baird & Wilson have announced that Monday night will be "Ladies Free" night. The show tent will be on the lots west of the old Airline corner.
